You Tube Listening Assignment

As you know, rehearsals are more about listening than they are about singing. Missing a rehearsal means you miss crucial information and practice especially during more time-sensitive periods. Singing in a choir is a team effort and it takes everyone to be successful. This is an opportunity to make up missing an essential sessions that improved your choir. Listen to the example provided and answer the following prompts using musical terms.

Pre-Listen

Write down at least FIVE (5) different music qualities that you will be listening for in each musical sample. Those five ideas are:

- •
- •
- •
- •
- •

Listening

Take notes on what you are hearing. Bullet format is recommended.

<u>Post-Listen</u>
Write a critique based on the notes you took. Use MUSICAL TERMS and make an argument for the information you provide. Go into detail and make a proper assessment.
Lastly, please list at least 3 Indiana State Standards that apply to this assignment:
